

WS Series Wall Strike

Trimco's patented Wall Strike's are uniquely designed as a solution for latching surface applied Sliding/Barn doors. For use with Trimco's 1074 Series ADA locks. The strike mounts to the wall either directly (requires blocking in wall) or via a mounting bracket that mounts to the jamb. Available in most architectural finishes to match the other hardware or with a primer finish that can be painted to match the wall color.
