

## QDB200 Deadbolt

### More features for added security.

STANLEY Commercial Hardware's QDB200 series Grade 2 deadbolts have more built-in features for attack resistance. In addition to quality materials and construction, we added components to combat saw, drill, and wrench attacks. When you're choosing a deadbolt for light commercial applications, choose the name more Americans trust for their security.

## Versatility and convenience.

With a wide range of available features, including re-key flexibility and an adjustable backset deadbolt latch, STANLEY Commercial Hardware's QDB200 series deadbolts make installation, customization, and maintenance quick and easy.

<b>Finishes</b>	605: Bright Brass 613: Oil Rubbed Bronze 619: Satin Nickel 625: Bright Chrome 626: Satin Chrome
<b>Warranties</b>	Lifetime mechanical Three-year finish (613 carries no finish warranty)

## Features

### STANLEY Commercial Hardware QDB200

- **Re-key flexibility.** An available re-key system to permit re-keying the lock without having to change or remove the product from the door, and an available key control function make the QDB200 series more versatile and convenient for use and maintenance.
- **Greater security.** Constructed with a full 1" steel throw bolt and hardened steel roller pin, two ball bearings, and free-spinning cylinder collar, QDB200 series deadbolts resist saw, drill, and wrench attacks.
- **Backed by leading warranties.** The QDB200 series comes with lifetime mechanical and three-year finish warranties.
- **Easy to retrofit.** Choose deadbolts with a SFIC option or keep your existing small format cores and use them with QDB200 series products. Standard door prep makes retrofit quick and easy.
- **Flexible installation.** Compartmentalized packaging makes QDB200 deadbolts easier to install, and an adjustable backset deadbolt latch gives you greater flexibility at the point of installation.
- **Additional security features.** Depending on your application, available options like hurricane compliance can add an additional layer of reliability and security.
- **Short lead time.** Our QDB200 series deadbolts are available for immediate shipment.

**With the QDB200 series, STANLEY Commercial Hardware makes it easy to order, customize, install, and maintain your standard-duty deadbolt for a wide range of applications.**
