YDC200 Economy Door Closer

Yale® YDC200 Series Economy Door Closer is a no-fuss, affordable option for aluminum storefront settings and other high volume applications. Certified to meet ANSI/ BHMA A156.4, Grade 1, YDC200 Series Door Closers provide a trusty and reliable solution to your commercial space, including retail, office buildings, and more.

Bringing you a dependable door closer at an attractive price point, Yale Works for YouSM.

Features & Benefits

Features

- Adjustable spring size 1-4 (YDC201) or fixed spring size 4 (YDC204)
- Tri-packed: regular, top jamb, or parallel mounting options
- Non-handed
- Cast aluminium body and threaded adjustable arm
- Rack & pinion design
- Independent latch, sweep, and backcheck intensity valves
- Available in two finishes
- 5 year limited warranty

Benefits

- **Ideal for a variety of facilities:** Well-suited to commercial, aluminum storefront, and hospitality applications
- **Ease of product selection:** Economical, affordable, no-fuss product offering
- **Great for retrofit applications:** 3/4" by 9-1/16" closer dimensions easily retrofit to a common footprint
- **Reliable:** UL/cUL listed and designed to meet ANSI/BHMA Grade 1 certification standards

How to Order

Please select model number and finish.

Model	Description	Finish
YDC201	Multi-sized Closer – Non-Hold Open	689 or 690
YDC204	Fixed Size 4 Closer – Non-Hold Open	

Notes:

- Door closer warranty becomes void if the closer is installed on the exterior side of a door in the exterior wall of a building.
- It is strongly recommended, and may be required on fire door assemblies, that doors having a door closer be hung on ball-bearing or anti-friction hinges or pivots. Consult local authority having jurisdiction.
- Failure to use fasteners supplied with closer may void factory warranty.
- Fasteners for fire/smoke door assemblies must conform to NFPA 80. In some applications additional fasteners may be mandated by NFPA 80 that are not shipped with standard Yale® product, such as sleeve-nuts/sex-nuts or thru bolts and grommet nuts.
- Information provided is based on 1-3/4" (44mm) x 7' (2.13m) standard weight doors swinging to 110°. Other conditions (such as door height or weight; or wind/draft conditions) may require adjustment of spring setting, selection of a larger size closer or different closer.

Finishes

ANSI/BHMA Code Finish Description	
689 Aluminum Painted	690 Dark Bronze Painted
	

Parts List

Description	Part Number*
Sleeve Nuts (1-3/4" door only)	SN-134
